Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted the applicant's representative regarding claim 13 of the application. The previous office action rejected claim 13 under 35 USC 112 2nd paragraph for having a broad limitation followed by a narrow limitation in the claim. The examiner requested approval from the applicant's representative to perform an examiner's amendment to claim 13 to remove the narrow limitation from the claim and to add claim 14 depending from claim 13 with the narrow limitation. The applicant's representative granted approval for the examiner's amendment. .
